You can find a [Map of UQ St Lucia Campus here](#)

The IMB Building is exactly in front of the area where the public transport buses are located.
On the Map, the IMB building is Building No 80A, and the Hartley Teakle Building (where our offices are) is Building no 83.
Once you get to the IMB building, do not enter via the main entrance (with palm trees), as you need security clearance to enter here.
Instead take the entrance ramp on the right hand side that takes you to all seminar rooms.

Morning and Afternoon Tea will be provided.
Lunch on Wednesday will be 2hours long as the room we are using had been already been booked for a short seminar and we cannot use it during this period.
